re: **CRIMINAL COMPLAINT**

Hon. Van Zandt DA:

This is a summary of my this afternoon phone message to you thru Laura:

1. That I had this Jan. 7, 2019 mailed you my "**a public criminal complaint**" - with short cover letter.
2. That about a week earlier I had mailed TWO copies of same - but without cover.

My intent was of course to present the urgency of this matter - of by now \$500,000 or thereabout unlawful court fines -
by thus clearly and fully "briefing with a fire hose".

At 82 years old, but even after 24 years of this "stuff", I am however still hopeful of not having to make additional scenes in our 294th district courtroom.

Full details - including AUDIO - at my www.DamnCourthouseCriminals.com.

More extensive material at my original www.OpenJustice.US.

Also, just inquire at and around the courthouse.

Very strongly and urgently suggest you have someone contact me.

"Time is of the essence"

Noticed you just updated your own website

Sincerely,

UDO BIRNBAUM
