Re: Notice of forgeries of fake judgments etc.

Way past time to report to the police, what is known by everyone, that Cause 00-00619, The Law Offices of G. David Westfall, PC vs. Udo Birnbaum - that this mess has THREE supposed "judgments" – when there can only be ONE! (RCP 301. JUDGMENTS, "Only one final judgment etc")

So here, once again, my **\$62,885 and \$125,770 unlawful judgment liens by forged fake judgments.**

Same, with FULL exhibits, at my www.DamnCourthouseCriminals.com.

Lots more "stuff" at same web, as well as my earlier www.OpenJustice.US.

Both webs (2.5GB total) available on a USB stick.
