Re: Homestead Theft by Public Corruption

Re: Retaliation for Complaining

1. My name is UDO BIRNBAUM. I am 88 years old. I come for help because they outright stole my 150 acre 42 year homestead in Van Zandt County, and I cannot get anyone to do anything about it.

2. My today's How Judge Chris Martin Stole My Homestead (Attach "A") focuses on the depth of this corruption:

- First off, a district court cannot even do eviction, only the JP justice court of the precinct, and I was not a tenant, and certainly had Right to a trial to show I was not, indeed a jury trial.
- And of special interest should be their resort to EIGHT (8) armed officers, without a warrant. This was a setup for a mob event so as to permanently silence me. No other explanation fits.

3. Attached is the Complaint as I have before the Van Zandt District Attorney. (Attach "B").

Sincerely,

UDO BIRNBAUM

How Judge Chris Martin stole my homestead

1. A real estate deed fraud ring fabricates a deed to my 150 acres and sues me.
2. Without even a hearing Judge Martin evicts me and takes my land. (Exhibit 1)
3. A district court cannot even do eviction, ONLY the JP court of the precinct¹
4. And NOT WITHOUT A TRIAL, in Texas indeed a jury trial². (Exhibit 2)
5. Perpetrated by an 8 armed officer mob - - - including Sheriff Joe Carter himself

COMPLAINT OF THEFT

Theft of my 42 year 150 acre homestead, perpetrated in a district court, under color of tenant eviction

I, UDO BIRNBAUM, an 87 year old of Van Zandt County, Texas, report the theft of my 42 year 150 acre homestead at 540 VZ County Road 2916, such theft under color of law, of me being a supposed mere "tenant", in a "unit", which I certainly was not, and violent de facto ejectment of me and my all, by a district court, by writ of possession.

Under color of law, I was verily defrauded out of my right to a trial, to defend myself, by showing onto a JURY, how it was all fraud.

The district court, which did this "eviction" on me, had no authority to do eviction, even if I had been a tenant, which I was not. In Texas, ONLY the justice court (JP court), OF THE PRECINCT, has jurisdiction to do tenant eviction. Tex. Prop. Code 24.004. (See Attach "B")

And as for the district court which did this ejectment upon me, Tex. Prop. Code 22.001(b): "the action of ejectment is not available in this state".

Furthermore, the writ of possession was issued, despite there being NO JUDGMENT OF POSSESSION to execute upon, a judgment of course being a prerequisite to do execution upon.

Also, such writ was unlawfully issued by signature of the judge, who has no authority to issue such. Writs of possession are under signature OF THE CLERK (See Attach "B"), and issued under her executive authority – upon a judgment – of which there was none.

The conduct of District Judge CHRIS MARTIN and Van Zandt County Sheriff JOE CARTER was unreasonable. It was also clearly criminal. This was not an accident or oversight.

This is Tex. Penal 31.03. THEFT (a): "unlawful appropriation of property". Such by Tex. Penal 31.01(4)(a) definition of "appropriate": "to bring about a transfer or purported transfer of title to or other nonpossessory interest in property, whether to the actor or another".

To summarize, this sham “eviction” was:

- Upon an 87 year old
- out of his 42 year 150 acre own HOMESTEAD
- by an 8-man armed officer crew
- executed under physical direction of the SHERIFF HIMSELF
- executed by a district court which has NO jurisdiction over landlord / tenant – in Texas ONLY the justice court (JP) of the PRECINCT
- swindled out of his right to a TRIAL - to show how it was all fraud
- and the taking of his personal property and STEALING his 150 acres
- on top of that – an unlawful \$500 FINE – First Amendment retaliation – for speaking his complaint – peaceably on paper
- God save America!

And as evidence:

- A Posting - Notice of Eviction - as a supposed “tenant” in a “unit”.
(besides, in Texas, ONLY the JP court can do tenant eviction)
- B My counter-posting - as to exactly why the eviction was unlawful
- C Supposed \$33,954.48 - 14 months back rent – something STINKS.
(Belated calculated – to the penny - upon 6 arbitrary houses – to make me appear as having been a tenant)
- D Sample of damages – all this “stuff” – me clearly NOT a mere renter
- E \$500 Court FINE - for complaining – First Amendment retaliation
- F By a mere ORDER, on a mere MOTION, I was swindled of my
Right to a TRIAL - by the stroke of a pen – by 294th District Judge
CHRIS MARTIN, and assist by Sheriff JOE CARTER

ORDER DENYING MOTION TO RECUSE

On September 19, 2023, the undersigned, heard the defendant's, Udo Birnbaum, Motion to Recuse and First Amended Motion to Recuse, pursuant to Rule 18a (g) of the Texas Rules of Civil Procedure (TRCP). The hearing was conducted remotely, via Zoom. All parties announced ready. The undersigned heard the arguments of the defendant and plaintiff's counsel.

The undersigned considered the motions, the arguments of the parties and the case law. The undersigned denied the motions. The undersigned found that the motions did comply with Rule 18a(a) TRCP in that the motions were not verified, they failed to assert one or more grounds listed in Rule 18b, and they did not state with detail and particularity facts that would be admissible. The undersigned further found that the motions were based solely on the judge's rulings and orders in the case. The undersigned found that the motion was without merit.

The undersigned further found that due to the language used in the motion and that it was without merit, that sanctions were appropriate. The undersigned awarded sanctions in the form of attorney fees to plaintiff in the amount of \$500.00, payable 30 days from the date of this order.

IT IS THEREFORE ORDERED that the Motion to Recuse and First Amended Motion to Recuse are **DENIED** and sanctions are **GRANTED**.
